

## Talking about Myself

Monolog(ue) to practice (US) / practise (UK) a presentation of oneself (present)

Typical order of elements in Western Cultures: basic info about the person, family, occupation(s) and hobbies. Notice how the information is organized (US) / organised (UK) in paragraphs – this helps you to be tidy in your structure!

My name **is** Sandra Rodríguez. I **am** Spanish. I **come from** Getafe, a town in the south of Madrid, the capital of Spain. I **am** twenty-three years old. My hair **is** brown and my eyes **are** brown, too. I **am** medium height.

I **live** with my family in Madrid. My family **isn't** very big: my mother, my sister and our pet, Urko. Urko **is** a beautiful dog. He **is** very sweet and loving. My mother **is** a teacher. She **is** fifty. My sister **is** a nurse and she **is** twenty-six years old. We **share** the housework. I **like** living with them. My sister **is** very funny.

I **am** an Elementary English student. I **want** to learn English to travel. I **love** travelling! I also **work**, but only at the weekend. I **work** as a hairdresser.

I **have** / I've **got** a lot of hobbies. I **like** painting, dancing and swimming. I also **like** going to the cinema. I **like** music, all kinds of music! Sometimes I **visit** museums and art galleries.

Well, I **think** this all, or... **do** you **have** (US, international English) / **have** you **got** any questions? 😊
